Remedy Prescribed By Many Doctors

COMPOUND OF SIMPLE LAXATIVE HERBS PROVES MOST EFFICIENT.

Dr. W. A. Evans, writing for the Chicago Tribune, makes the assertion that practically everyone, at some time or other, suffers from constipation. This applies regardless of age or condition in life.

The congestion of stomach waste in the bowels is evidenced in various ways; bloating, eructation of foul stomach gases, sick headache, languor, all indicate constipation, and call for prompt attention, not only to relieve the present discomfort but also to avoid possible disease that follows neglect of this important function.

Harsh cathartics and violent purgatives should not be employed, as these afford only temporary relief, while they serve to shock the entire system. A mild laxative such as Dr. Caldwell's Syrup Pepsin is far preferable and is now the remedy generally used and prescribed by many doctors. It is free from opiates or narcotic drugs, acts easily and pleasantly, without griping or other pain and is a safe, effective family remedy.

Mr. Chas. Schell, 132 Church St.,

MR. CHAS. SCHELL.

Grenada, Miss., writes that he found relief himself by using Dr. Caldwell's Syrup Pepsin and now keeps it on hand for family use. A bottle of Dr. Caldwell's Syrup Pepsin should have a place in every family medicine chest. A trial bottle can be obtained free of charge, by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

Heard About Town

Casey county will have a fair this year at Liberty. The dates selected are August 16, 17 and 18. The grounds will be at the Fair place about a mile and a quarter from Liberty.

The L. & N. is further improving its property on this division by replacing the old 80-pound rails which have been service around Stanford for some time, with new rails, which weigh 90 pounds, and thus give better wear under the impact of the big mogul engines which are pulling this popular road's immense volume of freight up and down the hills.

W. M. Marples, J. H. Cundiff, and C. A. Lay, a trio of substantial citizens of the Phil section of Casey, were here at Court Monday and paid this office a call. The L. J. has no better friend than Mr. Marples, who has been a subscriber of and booster for this paper for a score or more years.

"Corns All Gone! Let's ALL Kick!"

Every Corn Vanishes by Using Wonderful, Simple "Geta-It" Never Fails. Applied in 2 Seconds.

Isn't it wonderful what a difference just a little "Geta-It" makes, on corns and calluses? It's always right somewhere in the world, with many

"Wheat I Don't Care! I Got Rid of My Corns With 'Geta-It'!"

Folks humped up, with cork-screwed faces, gouging, picking, drilling out their corns, making packages of their toes with plasters, bandages, tape and contraptions,—and the "holler" in their corns goes on forever! Don't you do it. Use "Geta-It." It's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corn comes "clean off." It's one of the gems of the world. Try it—your'll kick—from joy. For corns, calluses, warts, bunions. "Geta-It" is sold everywhere, 25c a bottle, or sent direct by Dr. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommended as the world's best corn remedy, by the Lincoln Pharmacy.

Tom Eads bought a Ford touring car this week, and plans to run over and see the "boys" in Shelby county at an early date.

A. G. Eastland, Mutual Life Insurance Company agent, was here for several days writing business for his great company, which he has represented in this territory for many years.

Mrs. Buchanan, of Crab Orchard, Wm. Matheny, Rowan Sauley and Carroll Bailey are having C. E. Bower install water works and plumbing in their homes.

Chief Dispatcher T. J. Morrison, of this division of the L. & N., with headquarters at Louisville and W. O. Dilley, Trainmaster, of Lebanon, were in Stanford a short while Thursday looking over local conditions. Both are very popular and prominent railroad officials, and have a great many friends here who would like to see them stationed permanently in Stanford were it not for the fact that the extreme pleasure of enjoying their hearty handshake and cordial greetings would, of course, be dispensed with, each time you passed them on the street, were they permanent residents.

State of Kentucky, County of Lincoln, Sec.

We, B. B. King and Chas. A. Wilhoite, President and Cashier of the above named Bank, do solemnly swear that the above statement is true to the best of our knowledge and belief.

Subscribed and sworn to before me this 10th day of June, 1916. My commission expires Jan. 28, 1918. G. B. Pruitt, Notary Public.

The many friends of William Huey will be sorry to learn that he is ill at his home in Louisville of typhoid fever.

John Cobb, a farmer of Jessamine county, received news that his son, Speed Cobb, who lives just across Kentucky river in Madison county, was killed by a mule. He was riding the mule from the fields and it became frightened and threw him. His skull was crushed by the fall. He leaves a wife and three children.

W. F. Sheridan, now one of the real big men in the executive department of the L. & N. railroad, stopped over in Stanford a short while this week, with Local Agent and Mrs. J. S. Rice, and enjoyed a motor tour with them through this section of the Blue Grass. Col. Sheridan has gone high in the service of the great railroad system with which he is connected, since leaving Lincoln county many years ago, but he has never forgotten old Stanford, which he says, will ever have a warm spot in his heart, and whenever duties will permit, and he is close by, he tries to manage to stop off for a brief visit—and he is always accorded a cordial welcome, and given the "glad hand" by everyone. No more popular railroad official was ever stationed here, and he numbers his friends by his acquaintances.

Suffered With Stomach Ills; Now Mr. Evans, of Lexington, Has No Trouble Whatsoever.

"I suffered with my stomach for a long time but after taking Tanlac I got immediate relief," said Mr. James Y. Evans, of 343 Georgetown street, Lexington, Ky. Mr. Evans is an undertaker in the employ of Millard & Co.

"I feel that I cannot praise Tanlac enough for what it has done for me. I want to advise anybody suffering with stomach trouble to give it a chance."

Tanlac is a tonic which aids digestion, promotes healthy, refreshing sleep and strengthens the nerves.

There is hardly a portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the whole system.

Next it enables a weak, worn-out stomach to thoroughly digest its food, permitting the assimilation of the nourishing products to be converted into blood, bone and muscle.

It overcomes, it is said, that great exciting cause of disease, weakness. It renders the body vigorous and elastic. It keeps the mind clear and energetic and throws off the symptoms of nervousness and indigestion. It builds up the constitution run down by disease and mental and physical overwork, quickens convalescence and is an unfailing source of comfort to all sufferers from such trouble.

Tanlac is being especially introduced in Stanford at Penny's Drug Store.

Tanlac may be obtained at the following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellisburg, Joseph McWilliams; Middleburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Brodhead, John Robbins; Junction City, Reynolds & Evans; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son.
